

2017 IEDM Exhibits Program

Again Accepting Exhibits!

After the successful first Exhibits Event, IEDM 2017 will again be open to exhibitors. Take this unique opportunity to exhibit at the IEEE's flagship conference on electron devices.

IEDM Highlights

- Nearly 2,000 professionals from the semiconductor device research and manufacturing industry
- More than 200 platform presentations and invited talks
- Tutorials (Sat), short courses (Sun), evening reception (Mon), and evening panel discussions (Tues)

Exhibition Opening Times

- Mon, Dec. 4 – Wed, Dec. 6
- Complementary coffee will be available in the exhibits area

Exhibition Costs

- Sales close 11/17/2017

2017 IEEE International Electron Devices Meeting

Hilton San Francisco, Union Square, San Francisco, CA
December 2nd - 6th, 2017

The IEEE International Electron Devices Meeting (IEDM) is the world's preeminent forum for reporting technological breakthroughs in the areas of semiconductor and electronic device technology, design, manufacturing, physics, and modeling. IEDM is the flagship conference for nanometer-scale CMOS transistor technology, advanced memory, displays, sensors, MEMS devices, novel quantum and nano-scale devices and phenomenology, optoelectronics, devices for power and energy harvesting, high-speed devices, as well as process technology and device modeling and simulation.

2017 IEDM Exhibits Program

In addition to the Regular Exhibits Program now offered at IEDM, exhibitors can take advantage of the opportunity to organize **Special Exhibit Events** for interested attendees.

Special Exhibit Event Requirements

- Must not overlap with the technical and social program of IEDM (see timeslots below)
