

Electronic Submission Guidelines

1. PIN and PASSWORD

To submit a paper for the conference a **Personal Identification Number (PIN)** is needed for each author. The first author can create a PIN for all the co-authors. For the submission of the camera-ready version of the paper you also need a **password**.

Follow the link [PIN](https://conf.papercept.net/conferences/scripts/pinwizard.pl) (<https://conf.papercept.net/conferences/scripts/pinwizard.pl>) to register a PIN, to check and update your personal information, or to retrieve your password.

After requesting your PIN, you will instantaneously receive an email from conf@papercept.net to set your **password** and access your account (please watch your SPAM folder).

2. Go to the IEDM submission site

Once you have your **PIN and password**, go to the **PaperCept Conference Manuscript Management System**:

<http://conf.papercept.net/conferences/scripts/start.pl#IEDM18>

In the **Upcoming Conferences** look for **IEDM 2018**.
