Login:

Choose option 1 or 2

1. Email & Password

- If you have previously logged into the presentation management system you should have created your own password. You may choose to use this option OR option 2.

2. Login without password

- If you have not previously logged in or forgotten your password, you can use this method and a “magic link” will be emailed to you, allowing for automatic login, bypassing the password field.

Before upload!

1. Confirm you are using the official PowerPoint Template
2. Check the file requirements online regarding logos, font sizes, length, etc. More details available [online](#).
